

## **THERE'S NO SHAME**

There's NO shame in your name  
When you talk to God at night,  
And there's NO shame in your name  
When you treat your family right.

There's NO shame!  
There's NO shame!  
NO...NO...NO  
There's NO shame.

There's NO shame in your name  
When you follow the Lord's light;  
There's NO shame in your name  
When you make God smile real bright.

There's NO shame!  
There's NO shame!  
NO...NO...NO  
There's NO shame.
